...IMPACTING LIVES FOR NOW AND ETERNITY

From the Administrator...

This has been a wonderful year! Thanks to many who made it all possible - parents, students, teachers, and friends of BACS! Here are some highlights of the year:

- 38 students trusted Christ as personal Savior!!
- Over \$800,000 was raised for the New High School Building!
- 95% of our Students memorized all their Scripture verses for the year, 164 students said "Gold Star"!
- 73% of students made Honor Roll for the whole year!
- Fine Arts have improved including Band, Art, and Vocal Music!
- We had a great success in Athletics, making the play-offs in at least 10 sports!

Thanks to all who helped us recognize the hard work done by our students by being here for our Awards Night Programs. We gave out hundreds of much deserved awards!

Graduation was a great night with 36 BACS Graduates! Dr. Roy Fish was the guest speaker. The auditorium was packed with people and enthusiasm. We trust these students will be strong Christian leaders as they continue their education at the next level.

I want to give a special thanks to our faculty! Our teachers serve here as a ministry. They have a heart for equipping these students academically and spiritually! I am thankful for so many who have stayed here so long. The list of recognitions on this page is a sample of our stable faculty. The consistency gives quality, dependability, and efficiency to make educational excellence possible.

I am looking forward to another terrific year next year! Please continue to pray for the Lord's blessing on the preparation for the new year. I hope you all have a refreshing and joyful summer!

May the Lord richly bless you!

COUNSELOR'S CORNER

Class of 2010: Don't forget to request a final transcript to be sent to your college, if you have not already done so.

Transcript requests for all graduates go through the Main Office.

Class of 2011: The ApplyTexas (www.applytexas.org) application for admission to the summer/fall 2011 entering class will open on August 1, 2010. Students need to submit more than just the online form to complete their applications. A list of the items needed for a complete application is available on the freshman "[How to Apply for Admission](#)" page.

Get SAT/ACT information at the websites listed below:

SAT information: www.collegeboard.com

ACT information: www.actstudent.org

The Counseling Office will be closed until August 9th but you can get transcripts and summer school information through the Main Office.

SPORTS SCOOP

Dear Bronco Family,

As we begin the summer I would like to thank all of you for your support of our athletic teams. 2009-2010 was another successful year both on and off the field. As we prepare for 2010-2011 I would like to encourage you in a few ways. First, let's remember to glorify God in all that we do, even as spectators. Secondly, let's encourage our athletes to continue to be active during the summer months that they may reach their full potential. Third, let's continue to support the efforts of the staff. Your support helps in the athlete/coach relationship that is pivotal in the success of the entire unit.

We are asking that those who have Jr. High football players purchase football cleats that are black in color and have a molded bottom (no screw in).

Open gym hours for the summer will be 9-6 on most Monday through Fridays.

May you all have a Blessed and Happy Summer!

In His Service,
Coach Pennye

A Note from Mrs. Hunt:

WOW!!! What a wonderful way to finish out my 30th year here at Bay Area!! Thanks to the school and any of you who may have contributed to a very substantial monetary gift. Also, thanks for the many words of congratulation and encouragement that I received. You as parents play a big part in my job as Elementary Vice-Principal and I appreciate all that you do. It was a very good year and I am looking forward to more years of service here at Bay Area. Have a wonderful and safe summer and I will see you in August.

Lu Hunt

ATTENTION ATHLETES...

All athletes in High School and Jr. High need to get a physical during the summer to be eligible for the fall sports. This includes football, volleyball, and cheerleading.
