TEAMWORK

Story by Hannah Bryant

A team is a group of people working toward a common goal. We are all members of one team: the body of Christ. There are six main principles to be "ALL IN" on a team for Christ. We need to sacrifice some things to walk with the Lord. We need to be committed to serving God no matter what, and we need to have perseverance and hard work. We need to trust God like Noah trusted Him when building the ark. Lastly, we need to be passionate like Paul and Peter were passionate when serving the Lord. To be on a team, we all need to know where we're going and we need to get there together.

LTI students working together to serve in our Campus Connection Groups.

LTI Kick-Off Retreat

To kick off the 2011 LTI Retreat we ate our lunches while talking excitedly about the good times to come out of LTI. After eating, we all jumped into a fun ice breaker activity. We went on to learn about the Blue Angels and how they show the

characteristics of a successful team. Coach Jones shared about "Teamwork" and that there is not one "I" in team, but many "I"s achieving something together. We ended by praying together in groups, the perfect way to end the 2011 LTI Retreat.

LTI Goals/Values Statement—2011- 2012

Story by CT Gomez

As a body for Christ, we have one main goal: to be the best for God. In LTI, we came together to set our own individual goals and then meshed those to make one goal statement for LTI. Each group put together their goals and a poster. At the General Meeting all the students wrote Goal Statements to summarize the posters' messages. Here is the final Goal Statement:

LTI's is committed to training persevering leaders who are committed to God, pushing forward as a team, to be Godly examples.

Service Projects — Serving Our Community

Story by Ashley Greer

Helping out in Bastrop!

BACS' students came together to help clean up after the wildfires.

We accomplished a lot. We:

- Picked up debris
- Knocked down walls
- Moved big rocks
- Helped families

BACS' strong guys getting wheel-barrels, and showing off their muscles!!

We stand as a team when we all work together.

Way to go Broncos!

BACS' Leadership Training Institute

Bay Area Christian School's Leadership Training Institute aims to develop young leaders by providing a Biblically based program with practical instruction and hands-on training exercises. The program is based upon the three core principles of service, evangelism/engaging the culture, and church involvement.

LTI is open to all high school students and includes leadership presentations, skill development and leadership opportunities.

"Whoever wants to become great among you must be your servant, and whoever wants to be first must be your slave—just as the Son of Man did not come to be served, but to serve, and to give His life a ransom for many." Matthew 20:26—28.
