Revised 5/4/11

Before and after school supervision is provided to assist parents who need to get to work earlier or stay later than our regular school hours of 7:35-3:35. Before and after school supervision charges are charged along with tuition on your monthly bill.

Before school supervision for all students K-6 is in the Kids' Commons at 7:15. At 7:35 fifth and sixth grades will be sent to the lunchroom where a teacher will supervise.

After school supervision by teachers occurs at designated pickup sites between 3:05 and 3:35 p.m. At 3:35 p.m. all students in grades K - 6th who have not been picked up will be taken to the Kids' Commons for after school supervision. All students not picked up by 3:35 will be required to go to after school care. When students are taken to the playground, a sign will be posted at the Kids' Commons pickup area.

Please make sure your phone numbers are accurate. We will be calling parents and other contacts if children are not picked up.

Students arriving before 7:55 must go to supervised care. No K - 6th students should be in the Sports Center before or after school. Parents will be called and detentions given if students are not in the supervised areas.

These policies ensure the supervision and safety of all the students. We appreciate your cooperation. The form below needs to be completely filled out and turned in to the Elementary Office. You will receive a copy of this form. The Child Care Supervisor is Mrs. Debbie Lampe. Should you need to contact her, her cell number is 281-910-3757.
